

# Frequently Asked Questions

**What happened to the \$125 fee that each homeowner paid at closing?**

It was put into the neighborhood association bank account.

**Who is going to maintain the sprinklers and fix current issues with the irrigation at the neighborhood entrance?**

The Board of Directors will manage the maintenance of the irrigation system at the entrance. The neighborhood developers will fix any current issues with the irrigation system.

**If a homeowner closes in 2007, will he/she be charged \$125 annual dues?**

2007 dues will be prorated for homeowners who close in 2007.

**There is standing water near the service road. How do we get that fixed?**

Chesterfield County Environmental Engineering is responsible for addressing drainage issues in most of the neighborhood. VDOT owns the ditches and is responsible for ditch-related issues.

**Was a vacant lot going to be given to the neighborhood as a common area?**

Donation of a lot to the neighborhood was not part of the neighborhood plan.

**Besides lights at the entrance, what other improvements will be made to the common areas?**

No other improvements are planned at this time.

**What is happening with the "dirt" lot?**

It will be divided into two lots and a house will be built on each lot.

**How often will the grass in the common areas be cut?**

The Board of Directors will gather bids from lawn maintenance companies. The cutting frequency will be addressed in the lawn maintenance contract and has not been determined at this time.

**When will the 2007 annual payment be due?**

Bills for the 2007 assessment will be mailed to residents by early May and payments will be due within 30 days of receipt of the bill.

<p><b>Can the neighborhood covenants be changed?</b>  Yes. The neighborhood association bylaws describe the process for changing the covenants.</p>
<p><b>Does each house have 1 vote in the neighborhood association?</b>  Yes.</p>
